VAMURO,
TATAMI'S TRYING TO
WALK.

SIGH
SOMEONE REALLY
NEEDS TO EXPLAIN
THE CONCEPT OF
'BED REST' TO
THAT MAN.

THUMP! THUMBLE!
CRASH! I'M OKAY!

GET SOME
SLEEP, CREDENZA. WE'LL
ALL NEED TO BE RESTED
FOR TOMORROW.

WILL DO.
THANKS,
VAMURO.

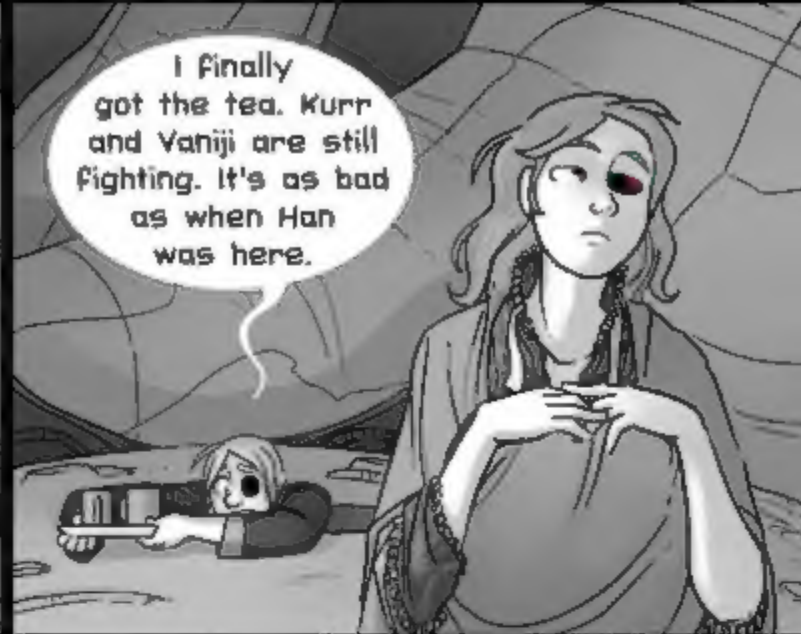

SHUT!

BUT
FIRST...

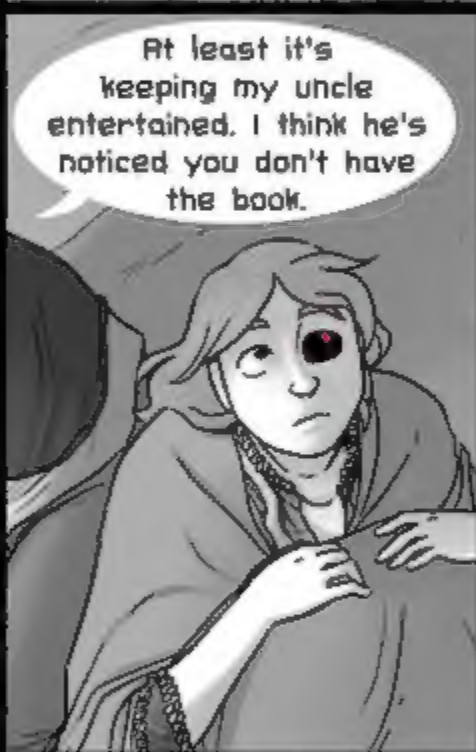

...I'VE
GOT SOME
ERRANDS
TO RUN.

I finally got the tea. Kurr and Vaniji are still fighting. It's as bad as when Han was here.

At least it's keeping my uncle entertained. I think he's noticed you don't have the book.

I know he's always been kind to you, but if the loss of the book angers him...

If he does... we could run! I'd come with you, he'd be too busy with the heirs to care about us!

Lucinda?

Ergg!

Good grief
Kor! Do you have
this beast on an
all brick diet?
